Dynamic Currency Conversion (DCC)

Dynamic Currency Conversion (DCC) allows your customer to see the cost of a transaction in both Canadian dollars and in a foreign currency when that customer pays with a foreign Visa or Mastercard credit or debit card. DCC adds value to each transaction by displaying real-time, on-the-spot currency conversions.

Save on your card payment processing with competitive low rates available to all Moneris merchants.

† All pricing quoted in this document is subject to change, cancellation or withdrawal at any time and other fees may also apply. Rates apply to Canadian locations of qualified associations members and franchises. The rates you will be required to pay will be confirmed in your Card Acceptance Form that you acknowledge following Moneris' acceptance of your merchant application. These rates are offered as a package and are not offered separately nor can they be combined with any other offer. New merchants may be subject to Moneris' approval and Moneris is under no obligation to approve a merchant for card processing or other services and reserves the right to determine a qualified merchant in accordance with its credit adjudication and other policies and procedures. Following satisfactory internal Moneris approval, merchants will be required to agree to, and agree to be bound by, the terms and conditions under the merchant and/or other agreement(s) with Moneris. Additional POS and Ecommerce solutions are available to you at preferred member rates. Please speak to your Moneris Sales Representative for further details.

* Timing of settlement depends on the time of day and day of the week settlement files are provided, including weekends and holidays, and on your bank's settlement policies and procedures. Other terms and conditions may apply.

** Moneris offers PCI compliant payment solutions, however, the merchant is required to comply with all PCI rules and to ensure its own compliance with PCI.
